THE EXPERT IN PET TRAVEL

**InnoPet**

# Bringing back happiness

It is common for dogs to experience difficulties with walking, including decreased mobility or an inability to walk at all. This can be due to growth restrictions, injury, accidents, surgery, or the natural aging process that affects a dog's bones and joints. A stroller provides a solution for pet owners, allowing you to enjoy outdoor activities with your furry friend despite these limitations. As dogs age, their bones and joints become weaker, making a stroller an increasingly popular choice for pet owners.

We understand that every dog has unique needs. Whether you have a puppy, an elderly dog, or one that has suffered from an injury or surgery, the InnoPet solution will allow them to join you on outdoor adventures. Additionally, dogs with weight issues or anxiety can benefit from the extra support and comfort of our dog prams. Whether your fur-baby is hearing or visually impaired, has dementia, or has had negative experiences, our dog prams provide a sense of security and peace of mind. Once again, every dog can enjoy the great outdoors.

**Sven** from InnoPet

## The InnoPet-DNA

"As a leading brand in pet mobility, InnoPet has been serving pet stores and retail customers across Europe with premium quality dog prams, bike trailers, and other mobility products since 2007. With our main office located in Nieuwegein, The Netherlands, we are committed to providing exceptional customer service and innovative products.

At our company, providing extensive service is a top priority. Our commitment to flexibility, transparency, and tackling challenges sets us apart. It is essential for our customers and users to have a clear understanding of what to expect from us and to be confident in our abilities to deliver.

At the heart of what we do is a love for the bond between people and their animals. This is why we are dedicated to providing only the highest quality products, ensuring optimal comfort and safety for both you and your pet. Our products give you the freedom to explore and share adventures with your furry friend, without any limitations. With over 15 years of experience in the industry, we are dedicated to creating endless possibilities for you and your pet."
